### 10 CENT "CASCARETS" IS YOUR LAXATIVE

Best liver and bowel cleanser and stomach regulator known.

Get a 10-cent box. Put aside—just once—the Salts, Pills, Castor Oil or Purgative Waters which merely force a passageway through the bowels, but do not thoroughly cleanse, freshen and purify those drainage organs, and have no effect whatever upon the liver and stomach. Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Bloating, Constipation, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.—Adv.

Our Optical Department is fully equipped in every respect. We can duplicate lenses and fill prescriptions without delay. We grind our own lenses.
